Introduction to socially engaged arts: Diverse approaches for mitigating societal challenges through arts-based initiatives

Adam Ropek

This certificate proves that you have successfully completed the Introduction to socially engaged arts: Diverse approaches for mitigating societal challenges through arts-based initiatives (4 credits) offered by the University of Lapland, Finland. The course is offered as a massive open online course (MOOC), and is based on the European Commission-funded research project 'Acting on the Margins: Arts as Social Sculpture (AMASS, 2020–2023).

Satu Miettinen, Dean, Professor of Service Design, University of Lapland
